1962 OWL

ALMA MATER

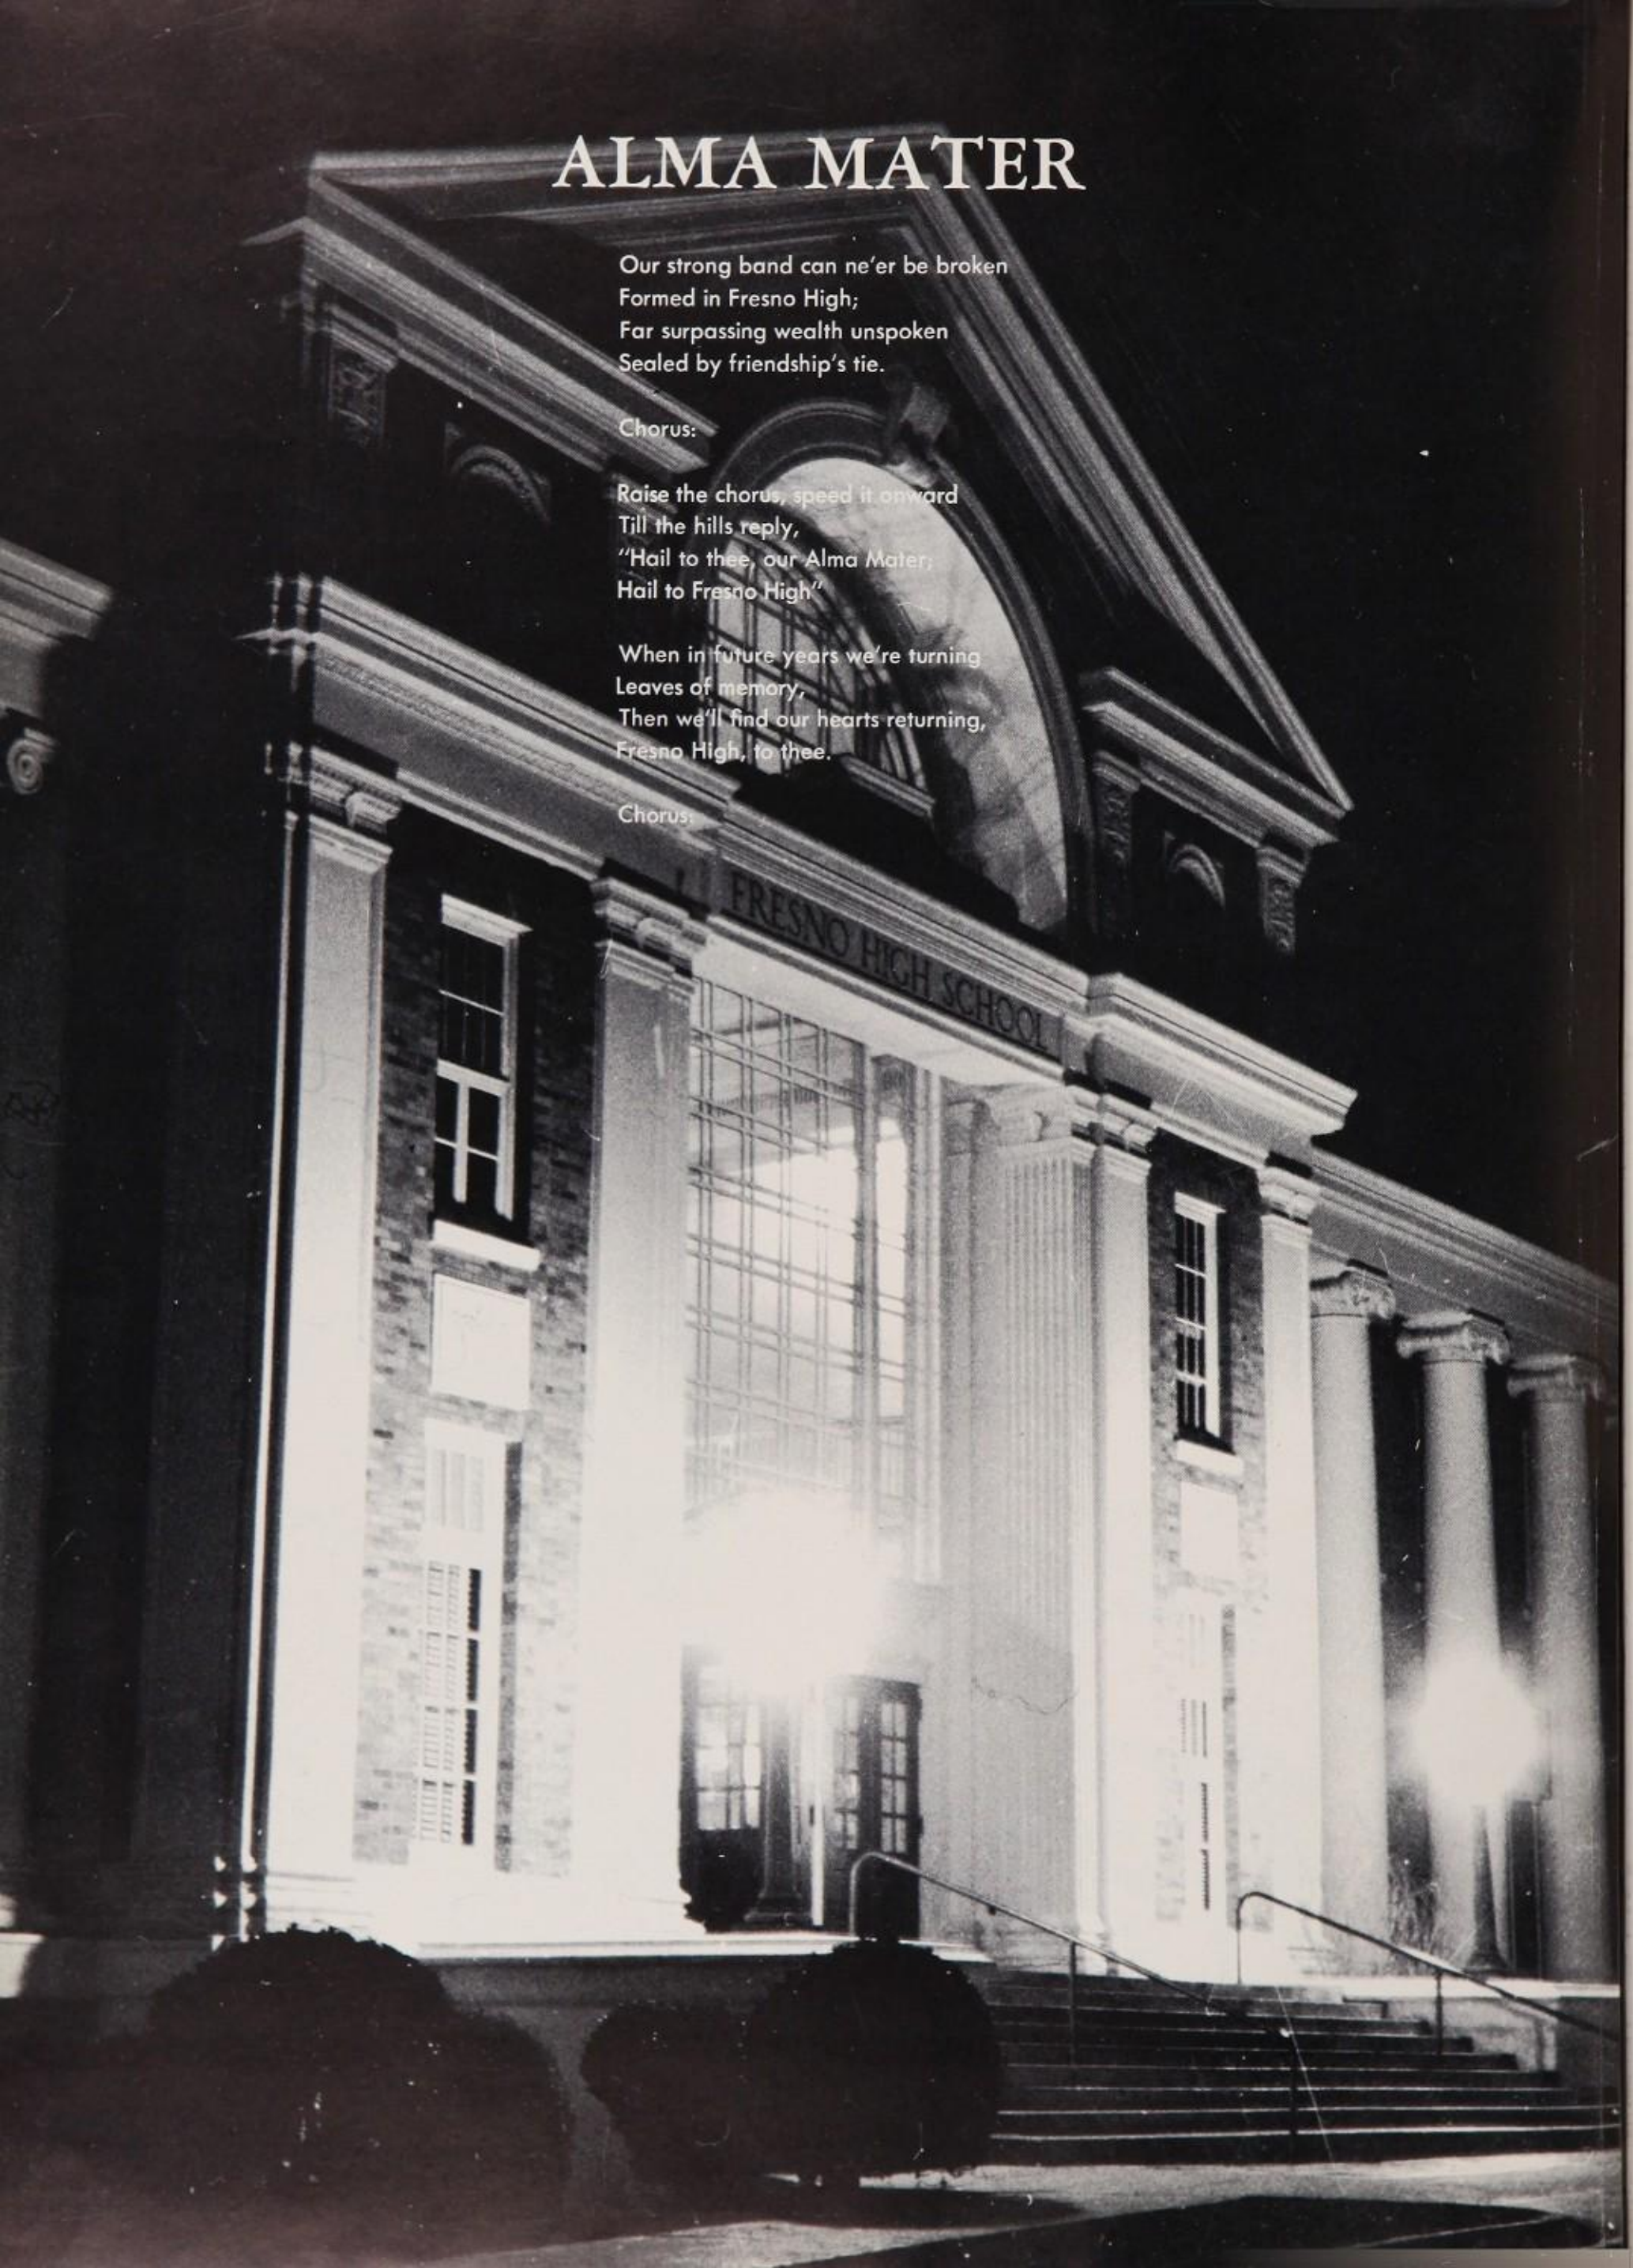
Our strong band can ne'er be broken
Formed in Fresno High;
Far surpassing wealth unspoken
Sealed by friendship's tie.

Chorus:

Raise the chorus, speed it onward
Till the hills reply,
"Hail to thee, our Alma Mater;
Hail to Fresno High"

When in future years we're turning
Leaves of memory,
Then we'll find our hearts returning,
Fresno High, to thee.

Chorus:

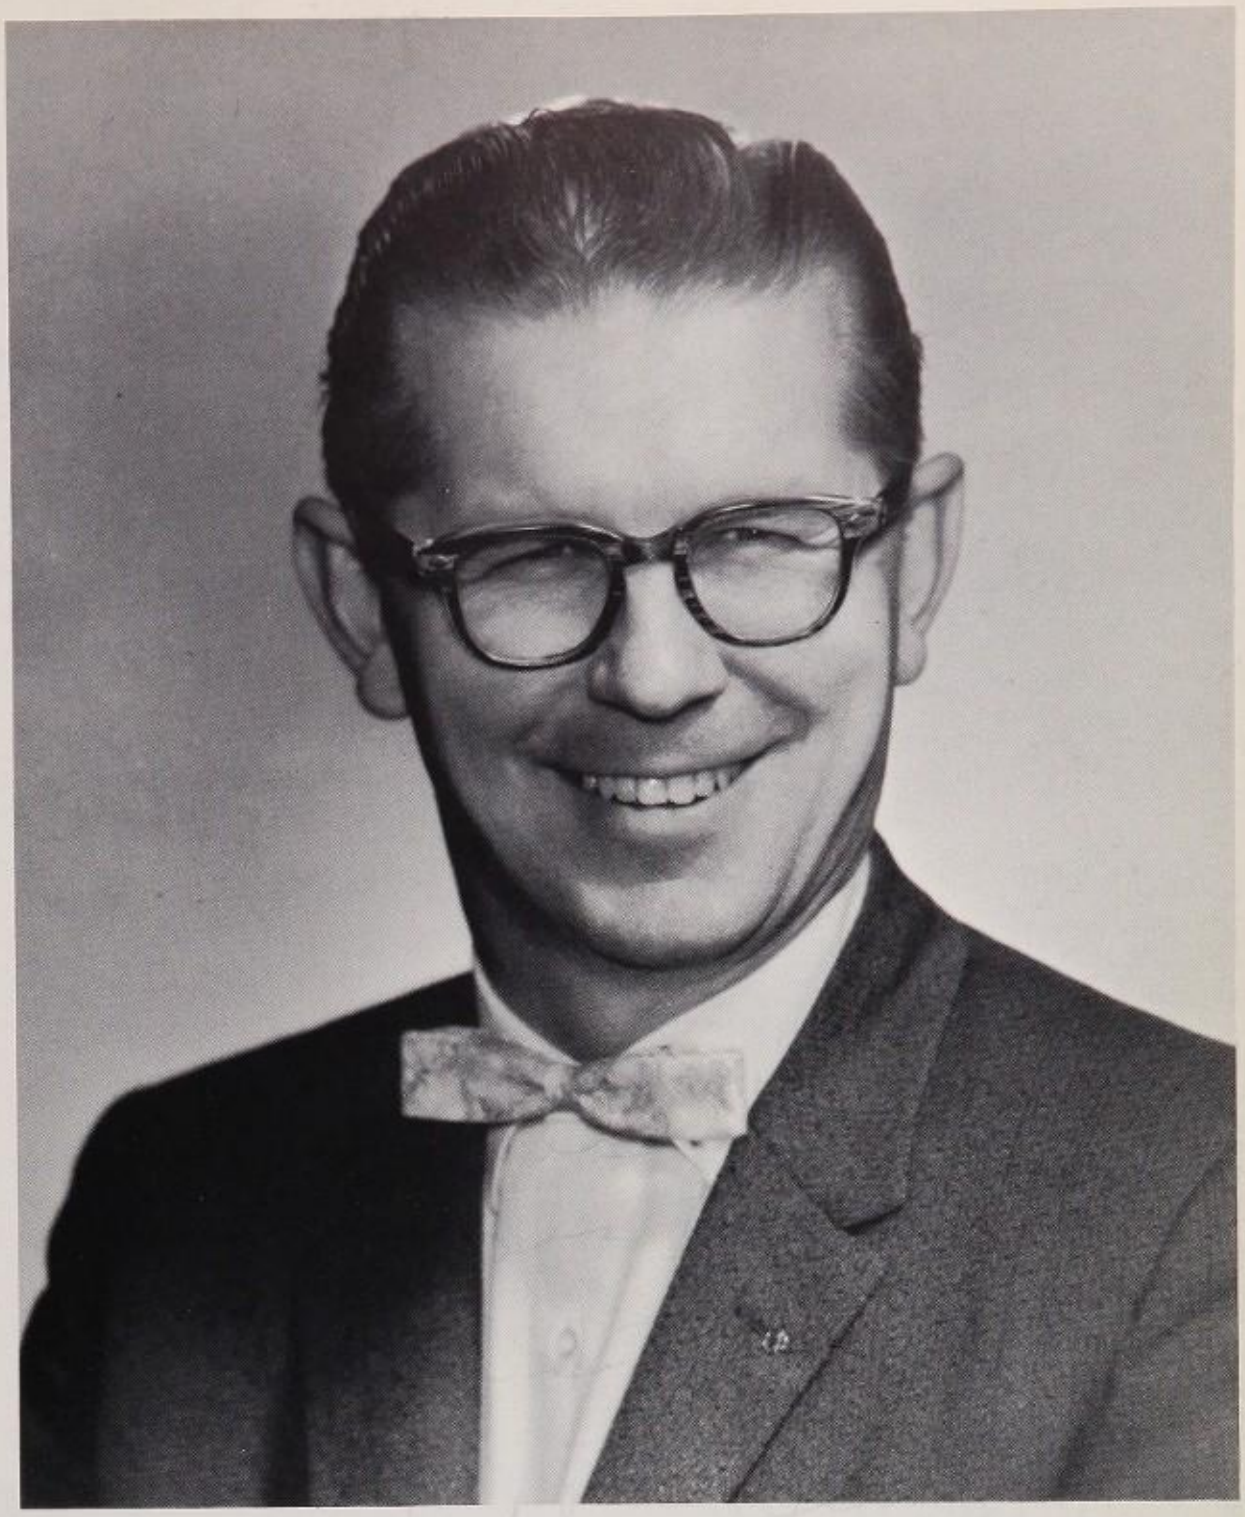


In appreciation for the unselfish work he has done, we, the students of Fresno High School, dedicate this, the 1962 Owl, to Mr. Edward Kerber.

Mr. Kerber came to Fresno High in 1959 to teach art. Since then he has become the head of the art department. Besides this, he has sponsored the Art Service Committee, Art Club, and Card Tricks Committee. During the sponsorship of these committees he has taken many, many hours of his time for the advancement and good of the school.

Despite all the work he does, he has a ready smile for all. He is such a driving force at Fresno High, that the spirit at the football games, basketball games, and baseball games has risen tremendously in the last few years.

For all that he has done for all, we, the students of Fresno High School, give our most sincere thanks to an unselfish and generous man.



THANK YOU MR. KERBER

FOREWORD

Fresno High School is an institution where students learn, make friends, and exchange ideas. The 1962 OWL is a collection of the memories of our high school years. As we depart from our Alma Mater, we will enjoy reminising over the exciting and frantic years we spent at Fresno High. These memories are not insignificant in that they have assisted in the building of character and the growth of persons. Captured in this OWL are all spirit displayed at the sports events and rallies, and successes attained in the classrooms and the campus.

The theme of this year's OWL is the "Totem Pole." It is subtly represented throughout the book and on the cover. The Totem Pole represents the foundation on which we, the leaders of tomorrow, base our knowledge of the world around us, in all its phases. Our foundation of our knowledge was lain here at Fresno High School, "The School of Champions."

FRESNO HIGH SCHOOL

CAMPUS

The stately halls of Fresno High welcome every student into its portals in their quest for knowledge. Established in 1888, the campus of Fresno Htgh has grown more traditional with each passing year. Each graduating class leaves behind them a remembrance of their years spent on this compus. This token of each class's esteem is traditionally called the Senior Gift. In this way, every student leaves something of himself in order to add to the beauty of "The School of Champions."

ADMINISTRATION

The City Schools Administration, led by Dr. Edwin Kratt, tackles the problems of all the educational institutions in Fresno. The Fresno High Administration carries out the rules of the City Schools Administration and solves the immediate problems that occur at Fresno High School. The Administration at Fresno High is headed by Principal Arthur Miller, and is composed of the Deans, Counselors, Personnel, Faculty, and Custodians. All of these people are necessary to help our school function more accurately.

BIG CHIEFS

The Fresno City School Administration is the top head on the totem pole. The big chiefs of the Fresno City Schools are responsible for making the rules that the school must follow.

Dr. Edwin C. Kratt, his assistants, and the board of education tackle Fresno City Schools' problems which confront them each day. This group works very hard to make sure that all of the educational institutions in Fresno are functioning properly.

LITTLE CHIEFS

Fresno High School Administration headed by Principal Arthur Miller, works diligently throughout the year to solve the needs and problems of the growing student body. Mr. Miller is ably assisted by Mr. Richard Neal, our Vice-Principal. Our Deans, Miss Jeanne Contel and Mr. Frank Gonder work very closely with the student body in taking care of our everyday wants and needs. Keeping Fresno High School the "School of Champions" is the main purpose of all the hard work which our administration strives to attain.

COUNSELORS

Our counselors, Mr. Blesse, Mr. Booth, Mrs. Hess, Mr. Martin, and Mrs. Smith, work very diligently to assist the students. Besides helping with everyday problems and individual needs, the counselors also aid in deciding upon a vocation. With their guidance, one can select the subjects best suited for his future.

These counselors, with the other administrators, strive for the welfare of the student body.

PERSONNEL

The busiest people at Fresno High are the members of the personnel department.

The administrative secretary, Mrs. Masini, works competently to see that all the business in the main office is functioning properly.

The registrar, Mrs. Orndoff, registers all new students who enroll in Fresno High. She also records all of the grades.

Mr. Rossi, the financial secretary, is in charge of the financial matters of the school. She also takes care of club dues, money from fund raising activities, and other financial responsibility.

Mrs. Bibler and Mrs. Russell, have the job of recording the absences everyday.

The counselors' secretaries, Mrs. Hammat and Mrs. Pearson, handle much of the paper work of the counselors.

Mrs. Wheeler, the nurse, has the responsibility of keeping the school on a high level of health and sanitation.

All of these people are necessary to make our school function accurately and efficiently.

ENGLISH

The Fresno High School English department has many different types of courses to offer. During his first two years, a student is required to take an English class of grammar and literature to prepare him for the junior grammar and composition tests. If a student passes these tests, he may have his choice among English literature, contemporary literature, advanced composition, drama, or public speaking. For students who fail these junior tests, or for people who desire to take it, a senior composition course is presented.

These English classes open the door of success in every field.

SOCIAL SCIENCE

The purpose of the Fresno High School social science department is to broaden the students' understanding of world government and problems.

World hisotry, an elective, teaches one of the people and origins of the world. Civics and senior problems teach the seniors about the modern government and of one's everday life. The juniors, required to take United States History, learn about the beginning of the national government up to the present.

These classes helps one to meet the demands of the ever changing society.

LANGUAGE

French, German, Spanish, and Latin are the foreign languages taught at Fresno High. The first two years are spent mainly on speech and grammar.

The advanced Latin students are studying the government from the works of Cicero and translating stories.

The third and fourth year French students are learning about the customs of France.

In the course of their studies, the Spanish and German students discuss and investigate the history of the countries.

Through the knowledge of foreign languages, people of the world are brought closer together through friendship and understanding.

MATH

The Fresno High School math department offers courses which will start the students on the road to more highly specialized math or to just the math needed in everyday activities and work.

The courses offered are algebra, geometry, trigonometry, business math, senior math, and other classes deemed necessary. This department is a very important and interesting one, and it is even becoming more important as the scientific, electronic, and engineering fields open and widen. Math also plays another very important role by teaching people to think for themselves.

Business, home economics and industrial arts are the three divisions of the vocational arts department.

The business department offers such courses as typing, bookkeeping, shorthand, and business law.

Home economics gives the girls an opportunity to prepare themselves for their future roles as homemakers.

The industrial arts department gives a better understanding of world industry. Also, one may build many articles in the shops.

These classes are a great asset to the leaders of our future America.

PHYSICAL EDUCATION

The physical education department of Fresno High gives the students a break from their regular subjects to strengthen their bodies and practice their skills.

The boys' department takes part in such vigorous sports as football, basketball, soccer, or track. The girls participate in many sports besides dancing, tumbling, and bowling.

The physical education department plays a vital role in teaching the students to appreciate the outdoors and to practice good sportsmanship.

P.T.A.

The Parent Teacher's Association, more commonly known as the P.T.A., is an organization which consists of parents and teachers who take an active interest in the school's activities. The main purpose of the P.T.A. is to bring a better understanding among the parents, teachers, and students.

MAINTENANCE

Keeping the Fresno High School campus clean and beautiful, and preparing the noon day meals are the main jobs of the maintenance department. Besides preparing the food for all banquets at Fresno High, they also keep the teachers well supplied with necessary items.

The custodians and cooks, headed by Mr. Cecil White and Mrs. Edna Rocha, should be commended for the great jobs they perform for the student body.

BOOSTERS

The Boosters Club of Fresno High School is an organization consisting of fathers, friends, and male faculty who are interested in helping the student body. They sponsor the annual Warrior Pow Wow dinner in honor of the students who take an active interest in the school's activities. They also sponsor the Tee Pee Talent Show, with all of the profit going to the Fresno High School student body.

The Boosters Club was organized in 1946 by Erwin Dann, who is now the Assistant Superintendent of City Schools.

I know it's in here somewhere!

You don't say?

The Dixieland Seven was one of the featured acts of this year's Tee Pee Talent. Tee Pee Talent is annually sponsored by the Fresno High School Boosters.

CLASSES

The Senior, Junior, and Sophomore Classes compose the well known student body of "The School of Champions."

The Seniors, top chiefs on the totem pole, are the leaders of the school and the future. The Seniors help to set an example for the rest of the student body.

Next come the Juniors, who plan and put on the annual Junior-Senior Prom. The Juniors also receive their class rings, which to them means a symbol of maturity.

After the first few weeks of unfamiliarity in the halls and classrooms, the Sophomores play an important role in the student body life at Fresno High. The highlight of their school year is the traditional Sophomore Carnival, which is always a big success.

Although the senior year was the busiest time of a high school student's career, the fall semester did not have many activities. The main project was money raising which included the selling of student directories. This money was collected for the activities participated in by the seniors at the end of the year. The officers, under the direction of President John Marchese, also sponsored the Turkey Trot, and began the preparation of plans for graduation.

President Charles Amirkhanian, with the aid of his cabinet, managed to finish the year with great dignity which honored the Senior Class.

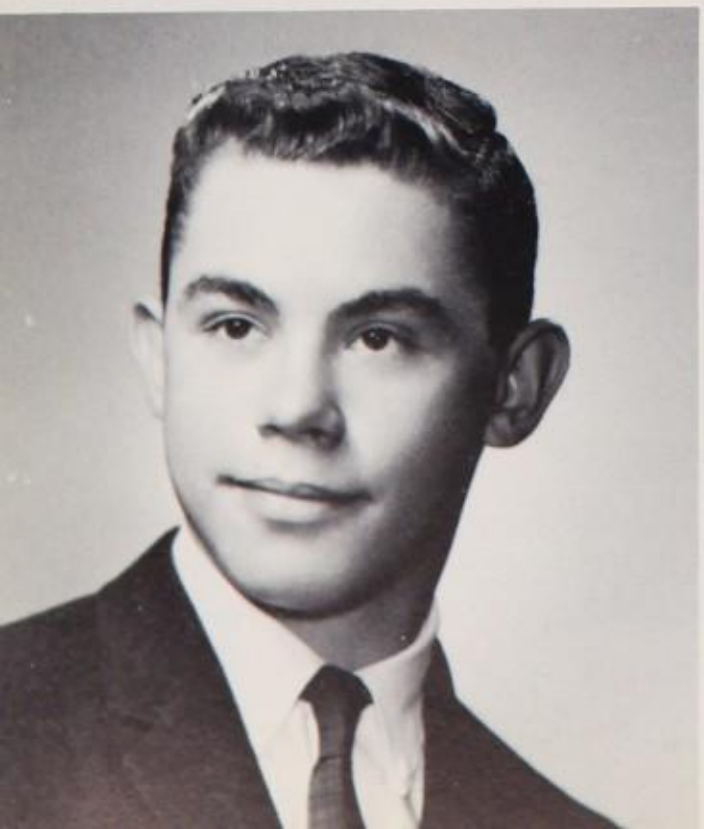
SENIOR PLAQUE DESIGN

Tom Clark



In the middle of this year, the Class of 1962 chose for its plaque, which will be placed in front of Royce Hall, the design by Tom Clark. The plaque shows an Indian preparing to shoot an arrow into the sky. This depicts the Fresno High School seniors looking up to the future, at which time they will continue their quest for the knowledge of life and all that it holds.

SENIOR CLASS HISTORY

As the fall of 1959 began, the Sophomore Class of 1962 of Fresno High attended the Orientation Assembly. This assembly acquainted the new students with the government, traditions, clubs, student body officers, yells, and songs of the school.

As the school year wore on, the sophomores soon became acquainted with the campus, and they made many new friends. The first duty of the class was to elect class officers for the fall semester. Under the leadership of Mike Wayman, the Class of 1962 put on a very successful Sophomore Carnival. In order to raise more money for their treasury, the sophomore class, under the able ability of Sam Campopiano, spring semester President, the class sponsored the Cherry Tree Swing. This dance, which was held on George Washington's Birthday put the finishing touches on the class's first year at Fresno High.

Their first year of high school behind them, the Class of 1962 returned as members of the Junior Class. Headed by Jeff Ring the Junior Play, "See How They Run," was presented for large and enthusiastic audiences. The following semester, with Bob Miller in charge, found the busy juniors putting on the annual Sadie Hawkins Dance and the Junior-Senior Prom. Held on May 22, at the Rainbow Ballroom, the theme for the gala affair was "Paradise In The Deep," and it consisted of an enchanting setting in the depths of the sea.

These students returned again to their class rooms in September, 1961. Now, however, they were the Senior Class and the leaders of the student body. The seniors studied a great deal for their classes and participated in a large number of activities. As the fall semester progressed, with John Marchese as President, the Class of 1962 presented the Turkey Trot and sold Student Directories; both of which were very successful. Under the direction of the last President of the class, Charles Amirkhanian, the seniors chose their plaque, held the Senior Play, and attended all the traditional senior activities; Junior-Senior Prom, Baccalaureate, Senior Reception, and Senior Banquet. The crowning glory of the Senior Class of 1962 is now near-graduation. As the students walk down the aisle toward the graduation platform, they feel a sense of accomplishment and an exciting expectation of the future before them. As they leave, these future leaders of America feel a sense of sadness at the thought of leaving their Alma Mater, Fresno High School, a school which they helped to maintain as "The School of Champions."

FAREWELL SENIORS

It is with mixed emotions that I bid you farewell. I am sad to see you leave and hope you are a little sad too. I am happy because you have successfully completed twelve years of school study; and I can officially say those magic words to you, "Congratulations, you have met the requirements for graduation."

I appreciate the contribution each one of you has given toward making Fresno High the school it is. As the Seniors go, "so goes the school." Your leadership, academic achievements, interest in activities, sportsmanship, good attitude, warmth, and friendliness have made me very proud of you; I shall be ever grateful.

This **Owl** should recall for you many fond memories. Enjoy every page, get "lots" of signatures, and take time to obtain those "sacred" notes. Your **Owl** is a treasure chest which will become more precious with each passing year.

Look ahead with confidence. Continued hard work, honesty, and sincerity will bring you the good things I wish you.

God Bless You.

FALL JUNIOR CLASS OFFICERS

Anxious to start another new school year, the juniors returned to Fresno High full of many expectations. Their government was organized by their new officers, and class ex-committees got under way. The Junior Class Play was presented by the class. From this play they added a great amount of money to their treasury for the coming prom. Still not satisfied, the class sponsored the traditional backward Sadie Hawkins Dance on February 2nd. This set the stage for the spring officers and the Junior-Senior Prom

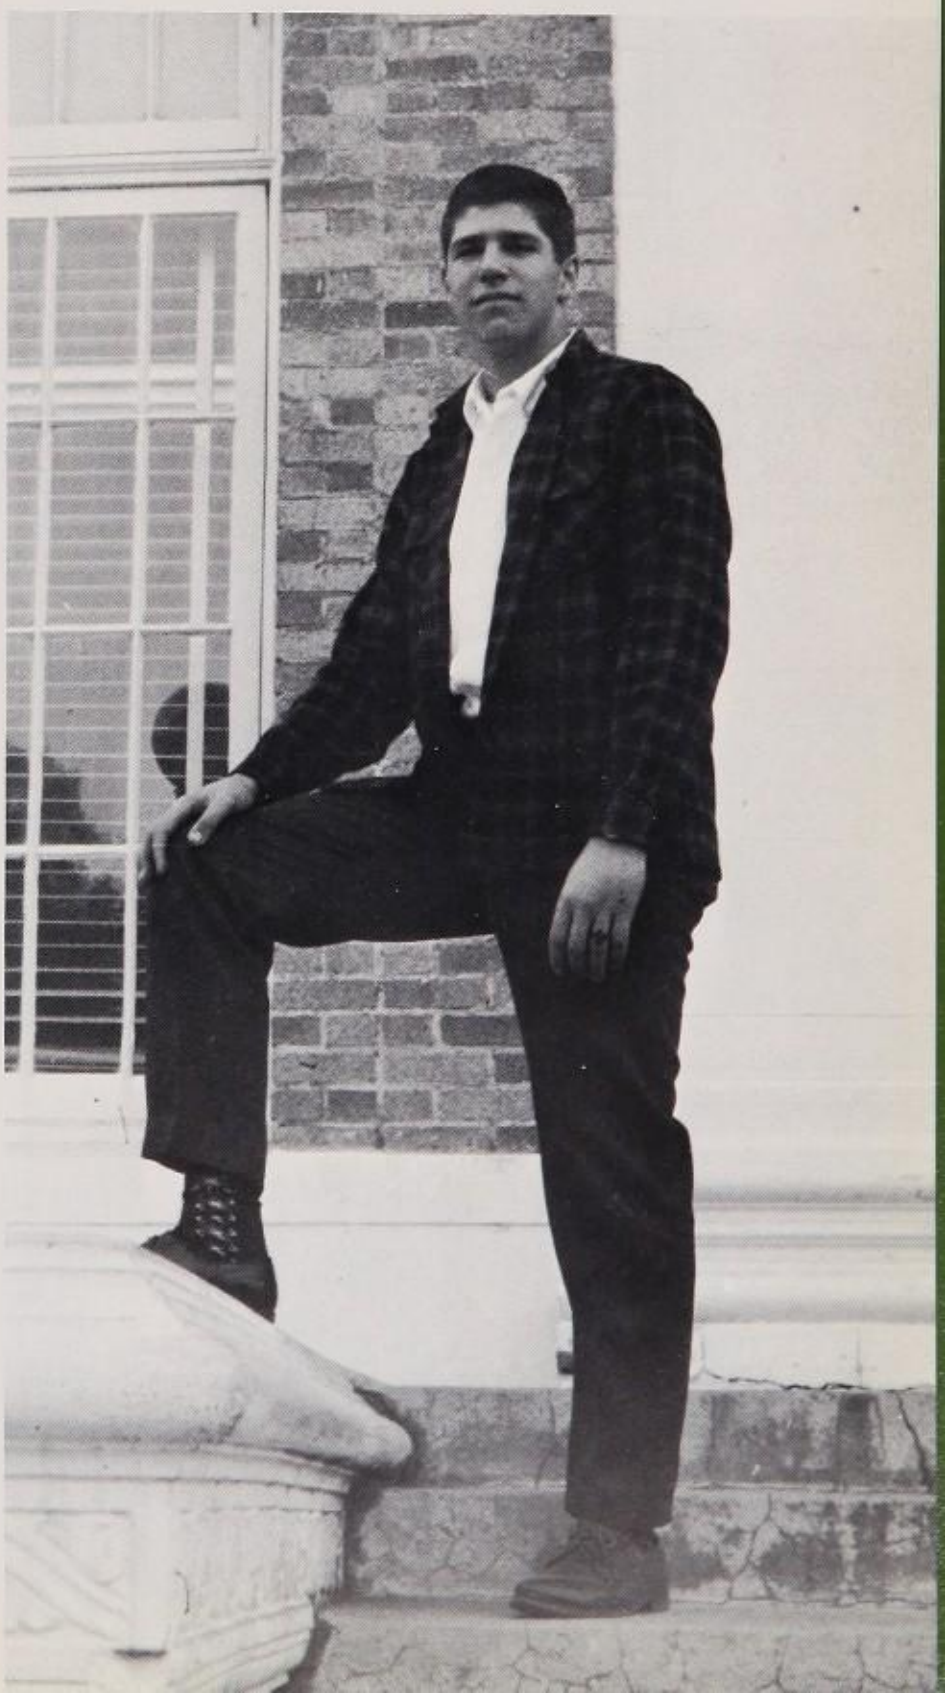
SPRING JUNIOR CLASS OFFICERS

Bob Klein
President



For the Juniors, this was the "magic" semester; it was the semester of the Junior-Senior Prom. Bubbling over with enthusiasm, the class officers set to work immediately. Committee heads were appointed; the committees were filled with many anxious juniors. After-school meetings were frequent as details and more details were ironed out. Honored guests were invited, queen's gifts were solicited, and a band was selected. The night finally arrived in late May. The decorations were beautiful and the whole evening was magnificent. To culminate it all, the beautiful Prom queen was crowned. The juniors were left with many wonderful memories and many thoughts about the affair that will be given for them next year.

FALL SOPHOMORE CLASS OFFICERS

With the beginning of their first year at Fresno High, the Sophomore Class ushered in several hundred new faces to add to the multitude of warriors. First on their agenda was the election of class officers during the first couple weeks of the semester. John Markarian was chosen President. The fall semester was principally one of adjustment for the young warriors; they learned the traditions of Fresno High School and the functions of its government. However, they managed to find time during their busy semester to participate successfully in the magazine sale. By the end of the semester, the sophomores had "found" themselves and walked through the corridors of the school with as much confidence as their upperclassmen.

SPRING SOPHOMORE CLASS OFFICERS

The spring semester brought forth new officers to lead the class of 1964. Leading the sophomores was Robert Vartan. He and his competent crew of officers lost no time in getting to work. Time passed quickly; April came, and the Sophomore Carnival was held as another money-raising project toward the all-important Junior-Senior Prom, which the class will host the following year. One of the most important functions of the class during the spring semester was the choosing of their class rings. The ring chosen by the class is typical of the sophomores' strength and maturity.

ORGANIZATIONS

The purpose of the many organizations of Fresno High School is to aid the school at many of its different functions, and to broaden the knowledge of the students. The clubs also carry out social activity projects, which aid other people and countries, in order to increase world friendship and peace. These organizations are sponsored by capable members of the faculty, who guide and assist the students.

STUDENTS COMBINE

Members of the Art Club work on a poster for a poster contest.

Organized in 1956, the art club was founded to create a greater interest in art within the school, club membership, and the community. Art club also serves the administration and student body of Fresno High by making posters and programs for school and community performances. This year the members of the club took a trip to the San Francisco art museums and other points of interest. For the enjoyment of the student body, the club began murals for Palmer Hall depicting all phases of art.

LATIN CLUB

Quid Nunc, also known as the Latin Club, was established in 1947 for the advancement of students' interest in Latin, as well as Roman life and culture. The club has worked hard to provide a program of varied activities and to promote friendship among the students. In the past, this organization has raised money to support an orphan boy living in Italy. This year the members attended the annual Roman Banquet, the International Potluck, and the Junior Classical League Convention. Also sponsored and attended by the members was the Senior Breakfast, which honored the senior members of the club.

LES MOUSQUETAIRES

The French Club was organized in 1948 for the purpose of improving members' knowledge and understanding of French. This group has sent gifts to the residents of an orphanage in France at Christmas time for the past six years. It had also participated in the annual Mardi Gras, and the International Christmas Potluck. This past year the French Club cooperated with the American Field Service in an attempt to bring more exchange students to Fresno High.

CULTURE IS GAINED THROUGH FRENCH AND GERMAN CLUBS

These Students are busy practicing German on the microphones.

Sonia, Dennis. Dean, Paul, Charline, and Sue are the officers for German Club.

German Club was organized in 1930 for the purpose of promoting an interest in the German customs and language. This club had money raising ventures and participated in the all-language-club banquet held in December.

This year Fresno High School had the honor of having a foreign exchange student from Germany. Renate Brune, the senior student, has spoken at the club meetings.

SKI CLUB

Skiing, skiing, and more skiing was the main reason for the formation of the Fresno High Ski Club. It offers to the students an opportunity for beginning and improving their skiing skills. Nearly every weekend of the snow season, a bus finds its way to Badger Pass, a ski resort in Yosemite, where the skiers spend a day of fun and excitement. Even though accidents do occur, the intrepid skiers return to their aisles of enchantment for the next trip.

STUDENT LIFE

The daily life of the students at Fresno High has many interests to offer each person. The Student Body officers plan and organize the coming events for the student body. Students have the opportunity to participate in the school's government by running for class or student body offices, joining executive committees, and participating in Student Court. There are a great number of various clubs and committees in which many students take part. The opportunity to join the newspaper staff, The OWLET, or the yearbook staff, The OWL, is also provided for each student. All of these groups are necessary to successfully run the large student body of "The School of Champions."

FOOTBALL CARNIVAL

Friday, September 22, 1961, was the night of the Annual Football Carnival. Each football team had a chance to test the strength of its opponent before the actual football season gets under way. Various bands, with letter girls, pepgirls, and drill teams show off their new outfits and routines for the excited fans.

This was just a preview of the exciting games and activities to come.

Football Queen, Cathy Schengel, waves to the enthusiastic Warrior rooting section.

Go, Go, Go Crazy Warriors!

Homecoming Queen Linda Di Liddo waves to the cheering F.H.S. rooting section.

LITTLE-BIG GAME

Go, Go, Go Crazy Warriors!

On November 22, 1961, the traditional Little-Big Game, between Fresno High and Roosevelt, was held at Ratcliff Stadium. This is the biggest game of the season for the two teams. Excitement and tension is at its highest. Preceeding the game, Fresno High students participate in the Walk-Over Rally. Students gather in front of the school for a short rally. From there, led by the letter girls, band, pepgirls, yell leaders, and Warriorettes, the student body walks to the stadium, ready for the thrilling game about to be played.

These Warriors are anxious for the Walk-Over rally to being.

RALLIES

Linda catches spirits in the spirit jug to be used at the Fresno High-Roosevelt game.

Mr. Hull typifies faculty enthusiasm at the rallies.

FORMED IN FRESNO HIGH;

ASSEMBLIES

Students at Fresno High look forward to the many interesting assemblies held throughout the year for the benefit of the student body.

The student body really enjoyed the fine Alumni Assembly put on by former students of Fresno High.

Dr. No Young Park, noted lecturer and world traveler, spoke to the student body on communism. He left a very great impression on both faculty and students alike.

Semi-Classical and Classical entertainment was presented for the enjoyment of the students at the Fine Arts Assembly. The Blossom Day Assembly ushered in the spring festivities for the second semester of the school year.

Both faculty and students were thoroughly entertained by the various types of assemblies held this year.

Pam De Orian was a crowd pleaser at the Alumni Assembly.

These Edison High School entertainers were a tremendous hit at the Edison Exchange Assembly.

Dr. No Young Park reminded the students of their duty to uphold democracy and freedom.

The Warriorettes delight the audience with their precision in performing intricate routines.

HALFTIME

Fresno High is noted for its fine halftime shows, and this year was no exception.

The Band, under the direction of Drum Major, Alex Miller, the Majorettes, and the Letter Girls, do intricate maneuvers on the football field for the enthusiastic spectators.

While the Band is performing, the students in the rooting section are performing card tricks stunts. In this way, almost all the students have a part in the halftime festivities.

Soon, the players run out on the field and everyone is ready for the final half of the game.

"Get in there and go, go, go; get in there and fight!"

to the school across the field.

The F.H.S. Band, with Drum Major, Alex Miller, the Letter Girls, and the Majorettes, always puts on a fine halftime show for the audience.

"Take your hands off me!"

"Not a single one of the Dukes have received their invitations to the wedding."

JUNIOR PLAY

THE HAPPIEST MILLIONAIRE, the Junior Class Play, was a tremendous success. This comedy dealt with the change of a young girl from a tomboy into a society debutante. The doubts and love of the father and complications set in by the young girl's brothers made this hilarious comedy most enjoyable.

With the success of this play, the Junior Class was able to put on an outstanding Junior-Senior Prom.

"It's only Oscar, Mother!"

Twelve people deciding the guilt or innocence of a person.

SENIOR PLAY

This year's senior class play, TWELVE ANGRY PEOPLE, was by far the best put on in years.

The whole play takes place in a jury room with twelve jurors deciding the guilt or innocence of a nineteen year old boy, accused of murder. The high tension drama kept the audience in suspense about the verdict up until the very end, when one of the jurors finally wins out with a not guilty verdict.

A very successful play.

"Let's re-enact the actual crime."

"I'll kill him, I'll kill him!"

The Choraleers performed for the student body, accompanied by the Orchestra.

CHRISTMAS ASSEMBLY

As the student body entered the auditorium for the Christmas Assembly, a trumpet trio on the balcony of the third floor was playing Christmas carols. Inside the auditorium, the students heard holiday songs being played on the organ.

The Assembly consisted of a short story, put on by members of the public speaking classes, a Marimba soloist, the Fresno High Choraleers, and the Fresno High Orchestra.

Jeff Ring, student body vice-president, presents Renate with a pair of blue jeans for Christmas from the student body.

Our beautiful Christmas tree, decorated by Purple and Gold members, lent to the spirit of the holiday season.

The Pep Girls, to the amusement of the audience, "ain't got a barrel of money."

TEE PEE TALENT

On February 8 and 9, sponsored by F.H.S. Boosters, the students of Fresno High presented Tee Pee Talent. A wide variety of talent is presented in this annual production. Singers, dancers, musicians, skits, pantomimes, and Fresno High's outstanding band and Choraleers were a part of this year's Tee Pee Talent.

It is a fine nights entertainment for all who attend.

The television celebrity, Webster Webfoot, made an appearance at Tee Pee Talent.

The Madrigals recalled the story of hatchet-minded, Lizzy Borden.

Maybe we can hide it!

In order to supplement the class treasury, the new sophomore class presented the Sophomore Carnival on April 6. At this time, the gym was decorated from top to bottom with booths of every description. Crowds of happy people participated in the activities which were offered. It was a very profitable evening for the sophomores.

Lou Rena and Andy add the finishing touches to the posters.

Doug Munday and Bob Blackwelder lost their freedom to their pretty dates at the Marriage Booth at the Sadie Hawkins Dance.

After having been postponed earlier in the year because of unfavorable weather conditions, the junior class presented its annual Sadie Hawkins Dance. Held on March 9 in the Warrior Waldorf, everyone who attended had a wonderful time.

The highlight of the dance was the imitation marriage ceremony, where students could get hitched by Marryin Sam.

FINE ARTS

One of the highlights of the school years was the Fine Arts Assembly. Although attendance was not mandatory, the response was tremendous.

The many acts showed a great deal of talent in the area of Fine Arts.

Carolene Lung and Marilyn Willett present a scene from Anastasia at the Fine Arts Assembly.

DANCES

The colorful decorations and the friendly atmosphere are significant of the dances put on by Fresno High in the Warrior Waldorf.

Some of the annually sponsored dances students enjoy are the Turkey Trot, the Mr. Touchdown Dance, the Sadie Hawkins Dance, and the Twirp Day Dance.

These activities give everyone a chance to relax and enjoy the entertainment that is provided.

These students arrive early for the first dance of the school year.

BLOSSOM DAY

On April 23rd, the first day after spring vacation, a transformation took place at Fresno High. Instead of the dark wool skirts, sweaters, and trousers of the winter, this first day of spring at Fresno High brought forth students decked out in light-colored dresses and skirts.

The highlight of the day was the Blossom Day assembly, where the girls had the chance to show off their talents for the student body. Jeff Ring and Laureen Dix, having been elected by the student body, were crowned Blossom Day King and Queen.

1961 PROM

On May 29, 1961, the Junior Class proudly presented the Junior-Senior Prom. "Paradise In the Deep," the theme selected by the juniors, was carried throughout the ballroom, in the beautiful decorations. As the couples entered the ballroom, they encountered a beautiful underwater scene on the mirrors in the entry hall. Inside the ballroom, the couples found themselves in a make believe world. Seaweed hung from the ceiling, there was a mermaid guarding a chest full of jewels, and a gigantic, white, open clam shell for the Queen.

The highlight of this magic evening was the crowning of the 1961 Prom Queen. Lovely Ginger Preston, surprised and very thrilled, was crowned Queen. As the magic hour of twelve approached, the enchanting evening came to a close.

Students, who attended the Prom, were greeted by Mr. Gonder, Mr. and Mrs. Blesse, and Mr. and Mrs. Miller.

These students, waiting to have their picture taken, will have a treasured reminder of this special night.

The Senior Class gives Mr. Miller a sincere thank-you for all he has done for the Seniors.

SENIOR

The Senior Banquet is a gathering of seniors, teachers, counselors, and administration, held on the night before graduation. Most of the evening is spent signing Owls and dancing. The highlight of the evening is the presentation of the Senior Plaque.

One of the highest points of the Seniors' year is the dedication of the class plaque. This is placed at the base of the main steps in front of the school, on graduation day. With the Senior Class in attendance, the President of the Class places the plaque in its designated spot.

These Senior girls are enjoying a hearty meal, together for the last time, at the Senior Banquet.

Members of the 1961 Senior Class pause for a moment before attending Baccalaureate services.

ACTIVITIES

A very solemn and meaningful activity of the graduating Seniors is Baccalaureate. It is held in the Auditorium, on the Sunday evening before Graduation. Parents of the Seniors and the Faculty are invited to attend.

Following the Baccalaureate services, there is a Senior Reception. This is put on by the Parent-Teachers Association, and held on the North Lawn. At this time, the Seniors, their Parents, and the Faculty, can get together for one last time.

These Seniors are enjoying the Senior Reception.

Pat Huth and Paula Siemmons enjoy each other's company while making their Daisy Chains.

As a Fresno High tradition, the Junior girls, attired in pastel formals, make a beautiful Daisy Chain to surround the graduating seniors.

These sixty girls, from the Junior Class take a day out from their regular class work to pick Daisies, and make the chain which they carry on the night of Graduation.

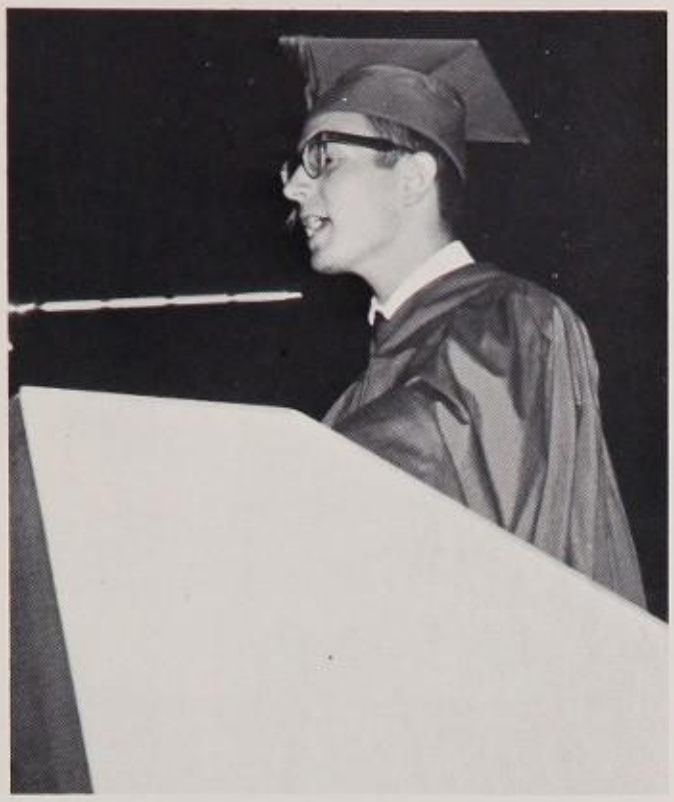
This tradition adds much reverent beauty to the graduation ceremony.

GRADUATION

Graduation is c momentous occasion and an important step which all Seniors look forward to.

On this night, young men and women receive their long-awaited diplomas on the South Lawn of Fresno High School. As the Class Sponsors present the capped and gowned Seniors their diplomas, their faces shine with a feeling of pride and accomplishment for a job well done.

However, there is a feeling of sadness in the air. As the graduating Seniors sing the Alma Mater for the last time, they realize that this is the end of the three wonderful years they have spent at Fresno High School.



Rick Cherin, Class Speaker, makes an important point in his speech.

Kathleen Sunada delivers her excellent Valedictory address to the audience and members of the Senior Class.

Members of the Senior Class stand together, and sing the Alma Mater for the last time.

SPORTS

The Fresno High Warriors participate in sports of many types. Football, Basketball, Track, Cross Country, Baseball, Tennis, Swimming, and Golf compose these main activities.

Fresno High School was named "The School of Champions," not only because of its high scholastic achievements, but also for its enthusiasm for athletics and its outstanding sportsmanship at all games. The spirit of the spectators has been tremendous this year. Championships are hard to attain, but with the spirit and determination the Warriors possess, Fresno High School will always be known as "The School of Champions."

VARSITY GOLF

Emery Wishon

The varsity golf team, under the direction of Mr. Robert Kimura, has provided a chance for boys with an interest in golf to show off their skills and abilities. The four returning lettermen are Dan Diel, Dennis Makasian, Bob Dudley, and Dave Sabo. Mr. Kimura says that with a lot of teamwork and determination he expects the team to capture the championship.
